

The background is a dark, textured surface, possibly a liquid or a polished metal, with numerous vertical light streaks and reflections. The colors are primarily black, with highlights in yellow, orange, and red. The overall effect is one of depth and movement, suggesting a cityscape at night reflected in water or a similar environment.

## GEOMETRIC

# DUSK

Dusk captures the final flares of colour and shimmer as the light of day gradually turns to night. Not only does this carpet tile collection draw inspiration from nature with its organic yet geometric design, it also gives back to nature by using the sustainable ECONYL® yarn.
